Welcoming Remarks

Dear Colleagues,
Dear Friends,

On behalf of the Bosnian Society for Enteral and Parenteral Nutrition (BHSPEN), we cordially invite you to the **18th ACCN Course in Clinical Nutrition**, which will be held in Sarajevo, Bosnia and Herzegovina, from the 27th to the 29th of March 2026.

Over nearly two decades, the **Adriatic Club of Clinical Nutrition (ACCN)** has become a vibrant regional network devoted to improving nutritional care across the Adriatic and Southeastern European region. The annual ACCN courses in clinical nutrition has established a long-standing tradition of fostering education and collaboration of young healthcare professionals in the field of clinical nutritional therapy.

This year's course continues the tradition - through lectures and case-based discussions, we aim to inspire the next generation of practitioners to integrate nutritional therapy into daily patient care.

We look forward to your participation, with the opportunity to learn, but also to meet with friends and colleagues from all over Europe. See you in Sarajevo!

Sincerely,

Aida Saray
Chair, Organizing Committee
